Dear Sir:

It is respectfully requested that a Certificate of Correction be issued in connection with the above-identified patent. The required text is submitted on the attached form.

Because the listed errors first occurred in the printed patent, and are not due to Applicant's mistake, no fee is required in connection with this Certificate of Correction.

A copy of the PTO Form 1449 which was submitted by Applicant in the subject application on August 27, 2002, and subsequently initialed and dated by the Examiner, is enclosed. This paperwork substantiates that the reference(s) listed on the attached Certificate of Correction should appear on the patent and that the error of omitting the reference(s) from the printed patent is attributed solely to the USPTO.
